

SEAWEED CONTOUR GEL WRAP

Shaping and Draining Body Treatment

Directions for use:

Eliminate dead cells with the **BODY PEEL**. Rinse with warm water.

Put an electric blanket on the treatment couch and plug it in. Cover with a plastic sheet and invite your customer to lie face down.

For complete body wrap, use 350 ml Algo-gel

For lower body only, use 200 ml Algo-Gel

Use approx. $\frac{1}{4}$ of the gel to massage the back of the body and then apply another $\frac{1}{4}$ without massage.

Ask the customer to lie on her back and then massage $\frac{1}{4}$ of the gel on the front of the body and then apply the remaining $\frac{1}{4}$ without massage.

Wrap the client in the **plastic sheet** and over with the **electric blanket**.
Leave to act for 30 minutes.

After the treatment rinse the body with warm water and sponges or a cloth or ask the customer to take a shower.

Finish the treatment by the application of **SVELTEX GEL**

or

for a longer massage use the **BODY MASSAGE CREAM and BODY ESSENTIAL OILS**
(Figure Control, Cellulite Control, Stretch Marks, Tired Legs)

FOR CLIENT'S HOME USE: SVELTEX GEL: Daily

The SVELTEX GEL contains caffeine, carnitine and fibronectin.
